Jason Blackman Named Community Manager of Cinco Ranch, Planned Community in Katy, Texas

FORT WASHINGTON, Pa. – February 2, 2010 – Severn Trent Services has announced the appointment of Jason Blackman as community manager of Cinco Ranch, located in Katy, Texas. Cinco Ranch is a community managed by [Planned Community Management, Inc.](#) (PCMI) in Houston. PCMI, a division of Severn Trent Services, serves as a management consultant and operations agent for master-planned communities, planned residential developments and commercial associations throughout the Houston and Austin metropolitan areas and surrounding counties, including Fort Bend, Montgomery, Waller, Chambers, Jefferson, Galveston, Brazoria, Travis and Williamson.

Specializing in large-scale, residential, master-planned communities, Blackman brings more than 14 years experience in community association management to his position. He is a Certified Large Scale Manager® (one of only 42 in the United States) and a Professional Community Association Manager®. In addition to his experience as a paralegal, Blackman's background includes general contracting and "green" facility management. He has served as a homeowners' association board member and landscape committee member as well as having performed commercial, financial and asset management services in prior positions.

About Planned Community Management, Inc.

Planned Community Management, Inc. (www.pcmi-us.com) has been providing a full range of professional community association management services to master-planned communities, planned residential developments and commercial associations for more than 30 years. The company currently serves more than 160 associations encompassing more than 85,000 lots. PCMI administers more than \$90,000,000 in association expenses each year.

About Severn Trent Services
