### **Severn Trent Management Services Launches Web Site**

*New site details service offerings of company's Management Services business in Florida.*

FORT WASHINGTON, Pa. – May 27, 2009 – Severn Trent Services has launched a new Web site, [www.severntrentms.com](http://www.severntrentms.com), to support the company's Florida-based Management Services business. The new stand-alone site provides information on Severn Trent Management Services' District, Association and Governmental Management services offerings.

Instrumental in creating Florida's Chapter 190 community development district legislation in 1980, Severn Trent is the state's largest consulting firm specializing in the provision of management services required by Florida's special districts.

#### **About Severn Trent Management Services**

Severn Trent Management Services ([www.severntrentms.com](http://www.severntrentms.com)) currently serves over 100 districts with combined annual operating budgets in excess of \$200 million. Responsible for establishing, developing and managing over half of Florida's existing special purpose districts, Severn Trent Management Services provides administrative services, fiscal management, compliance and records management, and field services.

#### **About Severn Trent Services**

Severn Trent Services ([www.severntrentservices.com](http://www.severntrentservices.com)), with global headquarters in Fort Washington, Pa., is a leading supplier of water and wastewater treatment solutions. The company's broad range of products and services is concentrated around disinfection, instrumentation and filtration technologies, and contract operating services. Our analytical services group is the United Kingdom's leading environmental testing organization, and our international management services business provides support in all aspects of water and wastewater utility operational development and business transformation.
