## **Severn Trent Services Appoints John Dyson as North American Sales Director for Water Purification Group**

### **FORT WASHINGTON, Pa. – 12 November 2011**

Severn Trent Services has appointed John Dyson as North American sales director for its Water Purification group. In this position, Dyson is responsible for overseeing the municipal and industrial sales channels, partners and processes that Severn Trent offers to the water and wastewater treatment markets in the United States and Canada.

Dyson joins Severn Trent Services with twenty years of experience in technical sales and management. In his most recent position, Dyson was responsible for Infilco Degremont's sales into the municipal water and wastewater treatment market.

### **About Severn Trent Services**

Severn Trent Services ([www.severntrentservices.com](http://www.severntrentservices.com)) with global headquarters in Fort Washington, Pa., USA, is a leading supplier of water and wastewater solutions. The company's broad range of products and services is concentrated around disinfection, instrumentation and filtration technologies and contract operating services. Our analytical services group is the United Kingdom's leading environmental testing organization. Our operating services business provides contract operation and support for all aspects of water and wastewater utility operational development and business transformation in the United States, United Kingdom, Ireland and Italy. Severn Trent Services is a member of the Severn Trent Plc (London: SVT.L) group of companies. Severn Trent is a FTSE 100 company.
