Severn Trent Services Establishes New and Expanded Representation for Water Purification Technologies in Idaho, Montana and Utah

FORT WASHINGTON, Pa. – April 16, 2009 – Severn Trent Services has recently enhanced and expanded its water purification products representation and distribution channels in Idaho, Montana and Utah.

In Idaho and Utah, Weidner & Associates will now be representing the ClorTec® line of on-site sodium hypochlorite generating systems; the Capital Controls® gas feed and instrumentation products; the EST™ line of scrubbers, including wet and dry scrubbers for emergency gas abatement, odor scrubbers and particulate scrubbers; and UltraDynamics® UV disinfection systems.

Able Wright is a new representative in Montana that will promote the Capital Controls and ClorTec product lines.

Both firms will market Severn Trent Services' products to engineers, contractors and end users in the municipal and industrial water and wastewater markets.

Contact detail for these Severn Trent Services' representatives are noted below:

- Weidner & Associates (Idaho, Utah): Contact Brad Colligan, 801-565-9595 or brad@weidnerandassociates.com.
- Able Wright (Montana): Contact Doug Mitch, 406-250-8389 or doug.mitch@ablewright.com.

About Severn Trent Services

Severn Trent Services (www.severntrentservices.com), with global headquarters in Fort Washington, Pa., USA, is a leading supplier of water and wastewater solutions. The company's broad range of products and services is concentrated around disinfection, instrumentation and filtration technologies, and contract operating services. Our analytical services group is the United Kingdom's leading environmental testing organization, and our international operating services business provides worldwide contract operation and support for all aspects of water and wastewater utility operational development and business transformation. Severn Trent Services is a member of the Severn Trent Plc (London: SVT.L) group of companies. Severn Trent is a FTSE 100 company.
