Severn Trent Services to Exhibit at Water Environment Federation's WEFTEC 2003 in Los Angeles – Booth # 3725

Fort Washington, Pa. –August 28, 2003 – Severn Trent Services will be exhibiting several of their new products and technologies at WEFTEC '03 in Los Angeles, Ca., October 12-15th.

Water disinfection products like the new ClorTab™ high volume pressure tablet feed system will be on display. Other products to be featured at the exposition include proprietary filtration technologies, on-site sodium hypochlorite disinfection systems, revolutionary pipeline products, and Severn Trent's growing line of instrumentation products, which includes residual analyzers, water quality monitors, and rapid-response water testing kits.

Visit them at Booth # 3725 to learn more about how their technology can serve you.

About Severn Trent Services

Severn Trent Services (www.severntrentservices.com), based in Fort Washington, Pa., is a leading supplier of water and wastewater treatment solutions.
