Severn Trent – North America Names New Central Region Business Development Manager

*Appointment of Leisa Nelson Strengthens Company's Growth Strategy
in Texas, Oklahoma and Illinois.*

Horsham, Pa. – 27 June 2017 Severn Trent – North America (<http://www.severntrentservices.com>) is pleased to announce that it has named Leisa Nelson as its new Central Region business development manager to further develop its growing portfolio of accounts there. Leisa comes to Severn Trent with a wealth of experience within the municipal water and wastewater industry, where she has managed wastewater treatment plants for the City of Houston and has served as a consulting engineer, among other roles.

“We are excited to add Leisa to our lineup of strong regional talent,” said Senior Vice President of Business Development Mark Halleman. “Her extensive knowledge, combined with the strong relationships she has built in the municipal services world, will significantly benefit our Central Region growth strategy.”

About Severn Trent – North America

Severn Trent – North America (www.severntrentservices.com) is a leading operator of water and wastewater assets. With experience spanning over 40 years, an extensive footprint covering 18 states, our business provides contract management, full billing customer services, operations support and systems improvements for over 200 municipal, industrial and commercial water and wastewater clients in the United States. Severn Trent – North America is a member of the Severn Trent plc (London: SVT.L) group of companies, a FTSE 100 company.
