Severn Trent Services Wins Weslaco Water and Wastewater Operations & Maintenance Contract

Horsham, Pa. – 28 August 2015 The City of Weslaco, Texas, awarded Severn Trent Services – North America a five-year contract worth \$12.5 million for the operation and maintenance of its water and wastewater plants.

The five-year contract (with a two-year extension option) includes two wastewater treatment facilities with a total treatment capacity of 8 million gallons per day and one water treatment plant with a total of 18 million gallons per day, as well as 51 lift stations. CH2M Hill operated the assets until 2013 and the City of Weslaco currently operates. Severn Trent Services takes over operations on October 1.

“Severn Trent Services is honored that the City of Weslaco awarded us the contract and has placed its trust in us to provide safe, clean and affordable water for its 37,000 residents. We are confident that we have the resources and innovative solutions to deliver real, measurable long-term benefits to the City of Weslaco,” said Stephane Bouvier, CEO of Severn Trent Services – North America. “Our 40 years of experience and impressive footprint covering 22 states, and strong backing from our parent FTSE 100 company Severn Trent Plc, gives us the operational expertise, asset management knowledge, and financial strength to benefit Weslaco and other cities and municipalities throughout the U.S. water and wastewater industry.”

About Severn Trent Services

Severn Trent Services (www.severntrentservices.com) is a leading operator of water and wastewater assets.
