Severn Trent – North America Renews Contract to Continue Providing Operations and Maintenance Services for St. Lucie County

Horsham, Pa. – 18 May 2017 Severn Trent – North America is pleased to announce that it has successfully secured a five-year contract extension with St. Lucie County for the full-scale comprehensive operations and maintenance (O&M) of the County’s water, wastewater and reclaimed water systems.

The contract, which is in excess of \$7.5 million, includes full responsibility for all aspects of O&M for the County’s facilities including 24/7 operation, meeting all licensing requirements, and ensuring consistent and sustained services in a cost-effective manner. Severn Trent has been delivering these services to the County since 2007, working with County staff to provide safe, reliable, and environmentally sound water, wastewater, and reclaimed water service to customers at a fair and reasonable cost with the best customer experience possible.

“Severn Trent is extremely pleased that St. Lucie County appreciates the value and commitment we continue to bring to the utility and its customers, which also confirms our pledge to the Florida market and its residents,” said Severn Trent – North America President and CEO Stephane Bouvier. “I am confident that our operational, management and technical expertise will continue to benefit the County and its residents.”

About Severn Trent – North America

Severn Trent – North America (www.severntrentservices.com) is a leading operator of water and wastewater assets. With experience spanning over 40 years, an impressive footprint covering 18 states, our business provides contract management, full billing customer services, operations support and systems improvements for over 200 municipal, industrial and commercial water and wastewater clients in the United States.
